

## Contents

<i>P. Filkov.</i> Foreword .....	9
<i>T. Venelinov.</i> Editors' column .....	12
1. <i>R. Arsov.</i> Well-Grounded Selection for Sewer Sludge Dewatering Machines .....	29
2. <i>D. Valchev.</i> Reactors with Suspended Algae Biomass: World Accomplishments and Challenges.....	42
3. <i>T. Igneva-Danova.</i> Hydraulic Capacity Assessment of Urban Drainage Networks in Terms of Changed Runoff Coefficient.....	50
4. <i>S. Darachev, B. Tzankov, T. Gandzhov, Z. Minkovsky.</i> The Design Rainfalls for Sewerage Systems in the Republic of Bulgaria. Origin, Dependences and Applicability.....	62
5. <i>D. Milićević, M. Milanović, M. Gocić, S. Trajković.</i> Sensitive Planning and Design of Stormwater Management in Urban Watersheds.....	63
6. <i>J. Neikova.</i> Fire Fitting Installations in Railway Tunnel on the Vidin – Medkovec Railway.....	80
7. <i>V. Vasileva, R. Ganev.</i> Repercussions of the Wrong Height in Fire Hydrants in Urban Conditions.....	88
8. <i>V. Radovanov, E. Tsanov, D. Alitchkov.</i> Investigation of Water Demand in Kindergartens .....	103
9. <i>I. Niagolov.</i> Results of Recent Actualization of Bulgarian Significant Reservoirs Inflow.....	105
10. <i>A. Ilić, S. Prohaska.</i> Design Flood Hydrograph for Flood Protection Systems .....	115
11. <i>I. Ivanov, E. Bournaski.</i> Analysis of Anthropogenic Impact on the Dospat River Water Discharge .....	132
12. <i>S. Chehlarova-Simeonova, N. Gadjalska, S. Bozhkov.</i> Hydro Melioration – Present and Future .....	140

13. <i>R. Petrova, N. Banishka</i> . Management Scope of Projects for Rehabilitation and Modernization of Irrigation Infrastructure .....	147
14. <i>Z. Popova</i> . Water-Saving and Environment-Friendly Technologies and Irrigation Scheduling Under Furrow Irrigation .....	164
15. <i>N. Gadajaska, V. Kancheva, R. Petrova</i> . Assessment of the Risk of Pollution Due to Irrigation of Agricultural Crops .....	171
16. <i>E. Tsanov, M. Ivanova, P. Filkov</i> . Use of Rainwater for Landscape Irrigation in Sofia City .....	184
17. <i>D. Stipić, M. Vasić, M. Djogo, G. Jeftenić, S. Kolaković</i> . Analysis of Seepage Control and Slope Stability of the Embankment Dam “Vranjaš” .....	185
18. <i>I. Galabova</i> . Dams from Ancient Times Until Today – Design, Purpose, Observation, Reconstruction .....	200
19. <i>L. Atev, J. Marinski</i> . Challenges in the Development of the Water Management of the Republic of Bulgaria After 1989: Technical Condition and Operation of the Small Dams .....	201
20. <i>B. Nikolov, D. Kisliakov</i> . Vulnerability of the Operation of Small Dams – State of the Art .....	209
21. <i>D. Radivojević, A. Ilić</i> . Protection of the Bridge and River Bed Training on the River Tripušnica in Bosilegrad Municipality in Serbia.....	219
22. <i>I. Stefcheva</i> . Phenomena and Processes Requiring Rehabilitation of Hydrotechnical Tunnels .....	238
23. <i>S. Djambova, N. Ivanova</i> . Analysis of the Effect of the Differences in the Measurement Conditions on the Sound Insulation of Slim Construction Elements for Real Conditions and Through a Small-Scale Soundproof Chamber.....	246
24. <i>B. Blagojević, V. Mihailović, A. Mulaomerović-Šeta</i> . The Effect of Mixed Peak Data on the Flood Quantile Estimates in a Single Station Analysis: Case Study.....	247
25. <i>M. Ivanova, Z. Popova</i> . Irrigation Scheduling of Maize Grown on Vertisols Under the Changing Climate in Sofia Field .....	282
